ABOUT US

Harold "Groucho" Miller moved to Columbia, South Carolina in 1941 with a handful of original recipes for potato salad, coleslaw, and various salad and sandwich dressings, most of which were thought up during his childhood in a Philadelphia orphanage.

These humble beginnings, along with the idea that "quality is the most important ingredient in a sandwich" are only where this story begins.

Throughout the generations, Groucho's Deli has held true to the idea of using only the highest quality products and ingredients, which has in turn led Groucho's® to a legendary status.
