

# THE MUCHO BURRITO STORY

Mucho Burrito® hits just the right notes with our made-to-order gourmet Mexican menu. Just one taste of our hand-rolled burritos, tacos and quesadillas will tell you how much effort we put into our mouth-watering products.

We've put a fresh gourmet spin on Mexican food! Our tender "barbacoa" (shredded beef) and "carnitas" (shredded pork) are slow-cooked (about 8 hours!), retaining the tantalizing flavour of the Mexican seasonings we amply apply. There's a reason these meats are marinated overnight – it's called "succulent!" Delicious salsas and guacamoles are made daily. Mucho Burrito® offers it all in a bright, fun contemporary atmosphere you're sure to love.
