# Q: How long do I have to access my digital files (digital negatives)after my shoot?

A: You will have 30 days to access and download your digital negatives of your pictures. If you do not access them within that time frame you will be charged a reupload fee of \$35. Thanks for understanding.

### Q: Is hair and makeup included?

A: Hair and make up is not included in this deal. You must arrive camera-ready. We have dressing rooms for quick touch ups, but once you arrive, you'll have your planning meeting/quick "posing 101" lesson with your photographer, and then we will start shooting almost immediately after that. For your hair, don't feel the need to do anything too extravagant; sometimes hair looks best when it's just straightened or curled in hot rollers. A good way to get good volume in your hair is to arrive with your hair still in the rollers!

# Q: What do you recommend w/ hair & makeup?

A: We HIGHLY recommend getting professional makeup done before your shoot! Here are a few recommendations for you:

Sparkle Hyche at Salon 422 www.salon422.com 404-573-1324

Services offered: Hair, Make-up, Lashes, Eyebrow shaping, and Image Consulting

Suzanne Daniels at Beauty Designs Makeup Artistry: Makeup Artist 404-784-7873

#### Q: Do I need to bring my own outfit?

A: Due to the nature of these shoots we do not provide clothes. When you book your session we will be emailing complete information on how to prepare for your shoot which covers hair, make-up, outfits and everything in between!

## Q: Do you do 'nude' photos?

A: Sorry, no we don't. We do tasteful, classy images... and we can do the 'illusion of nudity', but we don't do straight-forward nude images here at our studio.

### Q: How sexy do I need to go?

A: This is completely up to you! You can go super-sexy, with lingerie (a la Maxim magazine), or bring in one of your man's white shirts, or of course you can always go a little more conservative – even a sexy dress could look amazing!

# Q: Do you do Pole dance and Maternity shoots?

A: Yep, sure do! The groupon is for our "classic boudoir" package. If you would like to upgrade to one of these specialty shoots the cost is an additional \$75

# Q: Can I do my shoot on-location?

A: The groupon deal is for a photo shoot at our studio. We currently do not offer private offsite shoots.

# Q: Do you airbrush?

A: Yes. We will airbrush all of the images for your order.

# Q: What if I want to purchase something additional, like a boudoir album or additional prints?

A: You are more than welcome to make an additional purchase after your shoot. We have a variety of different products for you to purchase a la carte, after your session. You are not required to purchase anything additional. \*NOTE: if you decide to purchase an album, certain products take longer to produce – up to 4 weeks. We can fill you in on those specific turn-around times when you place your order here in the studio. \*\*We have a special discount on our additional bouloir products for groupon clients as well!

# Q: Can I bring a friend to my shoot?

A: If your friend ALSO purchased the Just A Tease Groupon deal, you can chat with us and see if we have enough availability for you to both have your shoots on the same day. In general, however, only one person is allowed in the studio at a time. So if your friend did not book a shoot with us, then NO, he or she may NOT come to your session with you. If you feel more comfortable with a girlfriend coming along, you are more than welcome to bring her, but she cannot be in the studio while we are shooting; she will need to wait in our lobby until after your shoot is done.
