

Spiritual Haze

hookah cafe & arts

Hookahs constitute a Middle Eastern tradition in which people relax, socialize, and enjoy smoking shisha, or flavored tobacco. Whole tobacco leaves soaked in molasses and honey are then flavored with various fruit and spices, creating a smooth taste and gentle smoke that is filtered through water, juice or milk. Hookahs, shisha, and coals are available for retail sale through our store.

How many People?

Less than 4 people? One hookah will provide a sustained smoking experience.

More than 4 people? Multiple hookahs will keep the shisha fresh for a longer time period.
