

what are minis?

Minis are smaller sessions created to be fun, fashionable and expressive! These sessions are for one child, one outfit and one set (the theme of the month). They are 30 minute sessions and you get at least 10 images to choose from.

When are they available?

Almost every month we will have a mini available. Check our blog to see the latest set www.canfieldjenkinsblogs.com Each mini is available for the whole month, so you can book your session when it is convenient for you.

How much?

The session fee is only \$35 and there is no minimum purchase. Packages begin at only \$99! There are even products that are exclusive to our mini sessions.
