

FOOD *for* THOUGHT...

Montfort
MEDITERRANEAN CUISINE

Montfort took its name from a historical landmark in the Middle East, Montfort castle, with a graceful history of its time. It was built so strong that some of its walls have still survived today, reminding us of great human achievements and gratitude of time. Montfort means "strong hill" or "mountain fortress" in French.

ExSalonce extends thanks to their clients for vote of excellence

For the third consecutive year, ExSalonce Laser & Esthetics has received a nod of distinction, winning the Oakville Beaver's Readers Selection "Best Spa & Esthetics" Diamond Award, thanks in large part to their loyal clients.

"We really do have the best clients a small business could ask for," says ExSalonce owner Samina Dossa, who has been in the esthetics industry for 14 years.

"They're faithful to us and our services and that's ultimately what keeps us going. We're very appreciative."

ExSalonce offers Oakville the latest in beauty and personal services; from nail treatments using Shellac products to their newly introduced Botox and dermal filler injections, ExSalonce goes beyond average hair and skin care.

The laser clinic and spa provides their clients with many opportunities to save on their regular services, as well as chances to try out new treatments at special prices.

Just recently, we began using Twitter and Facebook to communicate with our clients, current and future," says Samina. "It's a great way to connect with everyone and our followers and fans get exclusive deals."

In addition to getting deals on spa services, Facebook fans of ExSalonce Laser & Esthetics will get a chance to win a \$150 gift certificate this month simply by tagging themselves in the contest picture. Followers of @ExSalonce on Twitter get the exclusive scoop on service specials with Twitter Tuesdays.

For the Christmas season, ExSalonce is offering their devoted clients, as well as prospective clients, their ever-popular Microdermabrasion treatment at a special price of \$79. The one-hour peel, which includes a post-peel facial, uses fine crystals to slough away impurities and is a great treatment for pores, acne, wrinkles and pigmentation.

In keeping with the Christmas spirit of giving, ExSalonce is selling raffle tickets for a gift basket with the proceeds going to the Pakistan flood victims. Tickets are one for \$5 or three for \$10. The prize is valued at \$800 and includes products and services offered by ExSalonce.

For more information about ExSalonce Laser & Esthetics, visit their website at www.exsalonce.ca or find them on Facebook and Twitter. To book an appointment, call 905-337-0227. ExSalonce is located at 233 Cross Avenue across from the Oakville GO station.
