

These results were tabulated from official ballots that were at least 50 per cent complete when submitted to us. There is neither editorial nor advertising influence on these results.

UNLESS OTHERWISE STATED: Central = Kelowna North = Vernon South = Penticton

■ This is the 17th consecutive year that our readers have voted for their favourite business heroes in the North, Central and South Okanagan. Happy business people who receive the hottest award in the Valley know that *Okanagan Life* readers vote by way of official ballot. These quality businesses display the Best of the Okanagan award in their offices and retail stores for all to see.

In *Okanagan Life's* 23-year life we've worked hard to highlight courageous and innovative people whose efforts and dedication to our communities, towns and cities, make the Valley the wonder it is. This story is different because readers wrote it—we simply tallied the results and created the art

and design that you are devouring now.

This issue is all about recognizing the great business ideas and effort that owners, managers and staff put forth to earn their Best of the Okanagan award.

Being named the best is an honour and a privilege. Please celebrate the winners, patronize them and thank them for living up to the moniker — Best of the Okanagan! — *Paul Byrne*

AWARD WINNING QUILTER

I am absolutely awe struck at how beautiful your quilting is - I've never seen anything like it and I've been addicted to quilting since 1991! You certainly have an artistic flare that is utterly amazing.
- Chris Magee, Victoria's Quilts Canada

Whether you are a new or experienced quilter or have a simple or complicated project for quilting, it is truly amazing to witness your 'labour of love' transform from ordinary to extraordinary.
- Julie Gordon

I went into Quilter's Lane to see if my small machine-pieced quilt top could be turned into something special. I met with Michaela who listened to my ideas, offered some suggestions and a few days later emailed me a photo of my quilt with a great design layout. When I picked up my completed quilt, I was more than impressed with how she was able to use her very special equipment, quality materials and talent to turn my little project into something I've gotten lots of compliments on. Thank you...
