

Super Mex Mexican Restaurants

Family Owned and Operated Since 1974

"Best Salsa North of the Border"

In 1974 Manuel and Socorro Orozco opened the first Super Mex Restaurant on First Street in Downtown Long Beach. The modest "hole in the wall" restaurant would become widely popular for their enormous "Super Mex" burritos, delicious combination plates and legendary salsa. The Family tradition of serving delicious Mexican food while creating valuable relationships with loyal customers had begun.

Now, more than 30 years and a dozen Super Mex locations later, the Family invites you to enjoy their time tested recipes in comfortable friendly surroundings. This is the place for your Family and Friends to experience the authentic flavors and outstanding value of Super Mex.

Start your own tradition right here.
